ABOUT THIS WINERY

With a focus on innovation and genuine craftsmanship, Copper Cane Wines & Provisions houses a collection of brands that are crafted to offer a touch of luxury for everyday indulgence. They have wines from Oregon to California Coastal Vineyards, going by Sonoma County's prestigious Russian River Valley.

TASTING NOTES

This is a bespoke rosé where grapes were grown and harvested with the specific intention of making rosé; and not a saignée rosé, which can be a by-product of making red wine. This wine should be enjoyed very well chilled. It is finished with a screwcap to preserve the crisp, clean aromas and tastes, and is a great choice for outdoor occasions: picnics, lunch on the patio, or enjoyed on its own as an aperitif.

PRODUCT NOTES

Elouan Rose brings together fruit from three distinct terrains along Oregon's premiere Western vineyards, with the majority of the fruit coming from the warmest of the three districts: South Western Oregon. The diversity of the cool climate areas combined with a long growing season, creates wine with intensity of fruit flavor, structure, and a fresh vibrant acidity.
