#### ABOUT THIS WINERY

Our tendency towards innovation and modernity has never distanced us from any historic and traditional interpretation of wine. Our patient and meticulous researches have always been directed to the past as much as to the future; on the one hand profoundly linked to the oldest Sicilian traditions of wine making with its heritage of indigenous varieties, and on the other an interest in those international grape vines which are best adapted.

#### PRODUCT NOTES

Allemanda is a baroque opening dance, and we imagine this version of Moscato Bianco, as a perfect aperitif wine. It has no sugary residues, an enhanced aromatic profile and is a pleasure to drink. The vines are cultivated according to the criteria of sustainability and organicity, and together with careful vinification, respecting and protecting the aromatic profile, have made it possible to produce, even in the southernmost part of Sicily.
