## ABOUT THIS WINERY

Raise your glass Our sourcing takes us to the most breathtaking vineyard sites in California in pursuit of richly textured, juicy parcels of fruit for our flagship Cabernet. Combing Sonoma County, roaming Mendocino and Lake County, cruising south to San Benito, Monterey and the Central Coast - we seek distinctive Cabernet lots to layer into this blend. This diversity creates a richly textured, elegantly nuanced, berry-drenched wine.

## TASTING NOTES

Aromas of fresh huckleberry, pomegranate and nuances of toasty oak. Medium-full bodied with classic Bordeaux proportions, wonderful concentration with juicy flavors of raspberry, ripe plum and baking spices with a long, lingering finish.

## PRODUCTION NOTES

80% sourced from Mendocino Paso Robles+ Sonoma County. 20% new French oak aging. Named 'Top 13 Merlots from Around the World' Wine Enthusiast
