	Sugar content	1.9
	Closure type	Cork

ABOUT THIS WINERY

The name "Isole e Olena" was conceived in the 1950's when two adjoining estates, "Isole" and "Olena" were purchased by the De Marchi family and were combined to form one. Located at an altitude of 400 m above sea level and receives an average of 900mm of rainfall annually. The soil is a mixture of limestone, clay slates and sandstone, which allows sufficient drainage in times of heavy rains and the retention of moisture in times of drought.
