## ABOUT THIS WINERY

Our tendency towards innovation and modernity has never distanced us from any historic and traditional interpretation of wine. Our patient and meticulous researches have always been directed to the past as much as to the future; on the one hand profoundly linked to the oldest Sicilian traditions of wine making with its heritage of indigenous varieties, and on the other an interest in those international grape vines which are best adapted.

## TASTING NOTES

A clear yellow colour with green hints which anticipate its freshness. On the nose youthful citrus and flowery notes, balanced by lively Mediterranean hints of peach, papaya and chamomille. Balanced and refined on the palate, thanks to a well-judged acidity.

## WINEMAKING NOTES

Static decanting of must after destalking and soft pressing; ferments at 15 C in stainless steel vats, remaining there until bottling.
