PRODUCT NOTES

Traditional dry farmed viticulture. Organic Gobelet trained vines. Cultivated completely by hand. Soils: Primarily slate soils intermixed with small quantities of quartz. Mediterranean climate with an Atlantic influence. Very cold winters and very warm hot summers.

PRODUCTION NOTES

Hand-harvested and stored in small baskets. 20% of the wine fermented with indigenous yeast in used French oak puncheons and demi-muids (500-600 L. barrels, respectively.) The rest of the wine is fermented in stainless steel. Eight months sur lie in the fermentation vessel (20% French oak, 80% stainless steel) with battonage.
