ABOUT THIS WINERY

C. Da Silva (Vinhos) SA is a traditional Port wine House. Founded in 1862, its present name was defined in the first decades of the twentieth century, when Mr. Clemente da Silva received the company through marriage. This company has devoted its entire focus on perfecting the principles and methods of Port production, through a careful selection of the best wines in each harvest and art of making the best lots that matured in our cellars.

TASTING NOTES

The grapes were carefully selected at the entrance to the winery and vinification took place at low temperatures (16°) in order to enhance the fresher fermentation aromas of citrus fruits. A light wine that harmoniously combines citrus and enveloping aromas in a very fresh, balanced taste with a velvety mouthfeel.
