ABOUT THIS WINERY

Our tendency towards innovation and modernity has never distanced us from any historic and traditional interpretation of wine. Our patient and meticulous researches have always been directed to the past as much as to the future; on the one hand profoundly linked to the oldest Sicilian traditions of wine making with its heritage of indigenous varieties, and on the other an interest in those international grape vines which are best adapted.

TASTING NOTES

The Carricante grapes from Etna always give us great satisfaction as the combination of black sand and altitude provide distinct aromas and three dimensional flavours. In this vintage we find notes of white acacia flowers, fresh almonds and mountain peaches, on the palate it is juicy and full of hints of yellow plums and prickly pear.
