### TASTING NOTES

With a luminous pale yellow, straw-coloured aspect and a rich aromatic expression, in which citric (lemon peel, grapefruit) and floral (jasmine) notes lead on to hints of ripe fruit (apricot) and green almonds. On the mouth it reveals the generosity so typical of this grape, with an agreeably structure and vivacious acidity that contributes to and extends the citric and floral sensations through to a prolonged finish.

### PRODUCTION NOTES

A white grenache varietal, the name of Els Amelers is a tribute to the almond trees planted alongside the vines in the Terra Alta vineyards. The meticulous winemaking and aging processes, in contact with the lees, employed are designed to highlight the essential character taken on by this variety when planted in one of its favourite terroirs.
