ABOUT THIS WINERY

At Viña Echeverría, our winemaking mission is to use our long history of family expertise in viticulture and vinification to craft elegant best-in-class wines which are expressive of our cherished landscape. Our sustainable estate winery is the setting for our traditional and respectful viticulture approach, where mother nature along with precision viticulture allow our organically grown grapes to reach their maximum potential.

PRODUCT NOTES

The wines of RST are made at Vina Echeverria in Curico, with Head Winemaker Roberto Echeverria, his team (Catalina Diaz & Victor Rivera), as well as Thomas Bachelder, who has been part of the RST winemaking team since its inception. They are all very excited to work with the coastal, riverside terroirs of Chile, and help define the single-vineyard 'Ucuquer,' (Litueche), in particular.
