ABOUT THIS WINERY

Canada's fruit basket - one of the southernmost parts of Canada - an idyllic little peninsula with a unique microclimate due to the ocean-like Great lakes that surround it. Dolomitic Limestone abounds here - interspersed with clay - giving the wines intense perfume; a rich mouthfeel and a defining iron grip that speaks of the Escarpment where the grapes are grown - the same Escarpment from whence tumble the world-famous 'Niagara Falls.'

TASTING NOTES

A nose that sings with heavenly scented perfume, forest floor, dark cherries, cassis, wild raspberries, toasted vanilla spice and complex mineral notes. It has such depth and structure on the palate to go with heady, persistent red berries, wet loam, fine tight-grained tannins, integrated spice notes and length for miles and miles.
