ABOUT THIS WINERY

The project of Bodegas Volver was founded in 2004 by Rafael Cañizares, enologist through studies and viticulturist through his family tradition of four generations bound to the vine and wine.

The pillars of the bodega are based on the repositioning of quality Spanish wines and recovering old indigenous vineyards which, either through low production or lack of generational succession, had been lost.

TASTING NOTES

Cherry colour with a hint of intense ruby. In the nose mature fruit, raspberries, blueberries, spices, hints of balsamic and notes of flowers. Tasty in the mouth, balanced and full-bodied. Long finish

PRODUCTION NOTES

The harvest is adapted to the optimal moment of ripening of the grapes, which is usually during the first days of Autumn. Native yeasts. Malolactic fermentation in barrels followed by 14 months in French barrels.
