ABOUT THIS WINERY

Located in Clarke's Beach, Newfoundland, we are a small craft distillery dedicated to using local ingredients and making the finest spirits using copper stills all the way from grain to glass.

TASTING NOTES

Aquavit is a Nordic spirit which is traditionally a grain based alcohol flavoured with local herbs and botanicals. We've made ours unique to Newfoundland and in some ways it's a young 'wannabe' whisky; there's a hint of smokiness, the campfire is there safely in the distance, a little bit of earthiness from the peat, herbal notes from the savoury and a comforting roundness from a small touch of honey.

PRODUCT NOTES

Our aquavit is the first spirit ever produced in Newfoundland that has been fully grown and legally distilled in the province. The ingredients come from coast to coast; the barley was grown and dried in Cormac, the honey is from Tuck's Bee Better Farm in Grand Falls, pristine spring water comes from Springdale, the peat and juniper from Clarke's Beach and a dash of savoury from Mt. Scio in St John's.
