TASTING NOTES

Orange in color, this Orange wine opens with delicious aromas of tea, sweet spices, citrus peel and nuts. Long on the palate, with bright acidity and supple tannins.

PRODUCTION NOTES

After being harvested on the Coteau de l'Abbaye, the grapes are destemmed and fermented in the manner of a red wine, with the skins removed, giving it its lovely orange hue. Alcoholic and malolactic fermentations take place in stainless steel vats for several days at 23 degrees, with daily punching down to extract color and tannins. The wine is devatted after several weeks of maceration to reveal the complexity of the fruit.
