ABOUT THIS WINERY

Located in Clarke's Beach, Newfoundland, we are a small craft distillery dedicated to using local ingredients and making the finest spirits using copper stills all the way from grain to glass.

TASTING NOTES

Our Seaweed Gin, made using seaweed (dulse) harvested from the Grand Banks. Slightly salty, full of juniper, it is like being in an ocean mist, next to a herb garden and is the savoury (flavour wise rather than herb wise) companion to our Cloudberry Gin.
