PRODUCT NOTES

"IMAGINADOR is a wine that was in my imagination many years ago, when I discovered the great potential of Itata terroir. This wine comes from 4 different growers I source, all in the upper part of the hills, over granitic soils. All the sites were planted more than 200 years ago, and so, the vineyard share a long history.

PRODUCTION NOTES

Native yeast, very low extraction by soft and short pumping over.
Spontaneous malolactic fermentation, no carbonic. The wine is lightly filtrated.
