	Closure type	Cork

ABOUT THIS WINERY

Canada's fruit basket - one of the southernmost parts of Canada - an idyllic little peninsula with a unique microclimate due to the ocean-like Great lakes that surround it. Dolomitic Limestone abounds here - interspersed with clay - giving the wines intense perfume; a rich mouthfeel and a defining iron grip that speaks of the Escarpment where the grapes are grown - the same Escarpment from whence tumble the world-famous 'Niagara Falls.'
