ABOUT THIS WINERY

C. Da Silva (Vinhos) SA is a traditional Port wine House. Founded in 1862, its present name was defined in the first decades of the twentieth century, when Mr. Clemente da Silva received the company through marriage. This company has devoted its entire focus on perfecting the principles and methods of Port production, through a careful selection of the best wines in each harvest and art of making the best lots that matured in our cellars.

PRODUCTION NOTES

Produced with white grape varieties, namely Viosinho, Malvasia Fina and Códaga harvested from old vines located on the slopes of the Corgo and Tinhela rivers. Vinification made at low temperatures (16°C) in order to highlight the fermentative aromas of passion fruit and mango.
