ABOUT THIS WINERY

Treana is the sum of elements that influence our wines. From the land that the Hope family farms, to the warm California sun that nurtures and the cooling ocean breeze that balances. Today, the Treana legacy continues as the wines are made using grapes that flourish in our Paso Robles vineyards as well as other unique regions of the Central Coast.

TASTING NOTES

Treana Blanc is a stunning full bodied new world Rhone blend with aromas of orange blossom honey, peach nectar and a hint of tropical passion fruit. All of those aromas continue on the palette and evolve into rich roasted pineapple, dried apricot with notes of honeysuckle and elderflower. The finish is long and weighted with a creamy texture that is brightened with a touch of acid; very versatile. We suggest a range of dishes from spicy curry, to pan roasted salmon or poached lobster.

PRODUCTION NOTES

The grapes for the 2018 Treana Blanc were whole-cluster pressed and the juice was chilled to 35°F to allow the solids to settle. Once settled, the juice was transferred to French oak barrels for fermentation, of which 50% were twice used, 25% were once used, and 25% were neutral. The wine aged on its lees for nearly sixteen months before being blended in February of 2020. The blend aged together for another three months in 100% new French Oak until bottling in June of 2020.
