Sugar	Dry
Closure type	Metal screw cap

ABOUT THIS WINERY

Generation after generation, many resources were spent on research for quality, clonal selections, winemaking and aging techniques, and also by building a modern winery for the standards at that time. Il Poggione was one of the first wineries to market the Brunello di Montalcino wine as early as the 1900's, and one of the founding members of the Brunello di Montalcino Consortium.
