

Tedeschi

Capitel San Rocco Ripasso Valpolicella
Superiore 2017

The Suburban

“Tedeschi in the Valpolicella is a well-respected and family run winery that has been making wine for four generations. This classical Ripasso has a lot of personality and charm with lots of flavor and complexity. The medium bodied palate is bursting with ripe blackberry, black cherry and fig fruit with lots of spice and earthy understones. (...) an amazing wine that is ready to drink now or within 3-4 years.”
