

Maison Jean Loron

Château de Bellevue Les Charmes
Morgon 2016

92 POINTS

“ From vines close to the 19th-century chateau of Bellevue, this wine comes from one of the top sectors of Morgon. Still young, but properly structured and dense, the wine has considerable potential. Aging in wood has added spice and rich tannins while leaving blackberry fruit right in place. Drink this wine from 2021. ”

- Roger Voss, March 2019
