

Stella Di Campalto

Rosso di Montalcino 2013

Robert Parker
WINE ADVOCATE

92 POINTS

“ (...) This wine is right out of Stella's celebrated Sangiovese playbook. It shows a beautiful sense of crispness and brightness that translates to both the bouquet and the palate. Wild roses and cherries give the wine a sense of warmth and liveliness. Indeed, those delicate floral aromas are very specific to both the vintage and the house style. ”
