Imaginador Cinsault Itata 2015

92 POINTS

“ (...) It was kept in concrete and stainless steel tanks until bottling in March 2016. It has a really fresh, floral nose with aromas of acid strawberries, a touch of raspberry leaves and plenty of red juicy fruit such as watermelon and pomegranate... It's very drinkable and fresh, with unnoticeable tannins. A red of thirst, and a very good one at that!
