Chardonnay Sicilia Menfi 2017

WINE ADVOCATE

92 POINTS

“ With 150,000 bottles produced, this is an easy wine to locate. It has become one of Sicily’s wine ambassadors abroad. The 2017 Sicilia Menfi Chardonnay boasts the energy and radiance of the new world of Sicilian enology. Toasted spice and apricot are followed by honey, poached pear and sweet spice such as cinnamon and nutmeg (but only just a pinch). I’ll give this wine a solid 10-year drinking window. There is a touch of sweet honey on the finish. ”
