Nocera Sicilia 2017

PLANETA

Robert Parker
WINE ADVOCATE

89 POINTS

“ The 2017 Sicilia Nocera offers a faithful portrait of this little-known indigenous grape from the northern corner of Sicily. The bouquet is rather neutral in presentation with dark fruit, cassis and sweet garden herb. The wine offers mild structure and easy tannins, but there is enough fruity freshness here to pair with breaded veal chops. ”

- Monica Larner, October 2019
